Amendment to the specification

Please amend the first paragraph of the specification on page 1, lines 5-8, by filling in the missing serial number of the Provisional patent application from which the instant application claims priority, as follows:

The present application hereby claims the benefit of previously filed Provisional patent application Ser. No. 60/232,260, "Method and Apparatus for Diversity Control in Multiple Description Voice Communication," filed by C-C. Lee on September 14, 2000.
